

# TAKE A FIELD TRIP TO THE OVAL!

## About Speed Skating Manitoba

Did you know that speed skating is Canada's most successful Olympic sport? It's true! At Speed Skating Manitoba, we've helped many athletes at all levels realise their dreams, get exercise or just have fun with learning a new skill.

## Susan Auch Oval

We operate the Susan Auch Oval, the only official speed skating oval in Manitoba, located at the Cindy Klassen Recreation Complex. It's an amazing space for outdoor skating.

We would love to host your class at the Oval for a field trip! If you're looking for a more in-depth program, we can offer multiple session packages.

## Dress for Success

Remember, dressing appropriately is important. To be comfortable and safe while speed skating outdoors, you'll need warm, athletic attire that is easy to move in, and a helmet.
