

**\$18,500 +**

**PRIZE MONEY DISTRIBUTION**

**JANUARY 13 - 14, 2024**

# “SHOW ME THE MONEY!”

## **Speed Skating Manitoba is excited to announce a total potential prize pool of +\$18,500 for competitors participating in The Maple Leaf Construction 2024 Western Canadian Outdoor Classic.**

There will be three prize money age categories per distance and gender: Open (M/F - all skaters), U19 (M/F - A2 & Younger), U16 (M/F- B1 & Younger). There will be an additional prize money category for 'Friday Night Lights' which will be 100m sprints in hockey skates.

Competitors should note that they can only win one cash prize per distance. For example, if a U19 skater finishes first in the 500m event, they will win the Open category but will not receive the prize money for the U19 category. In such a case, the prize money for the U19 category will be awarded to the next eligible U19 skaters. This means that the second, third, and fourth place Juniors in the U19 category will receive the U19 prize money if they do not also finish on the Open podium. All recipients of prize money must be Members in good standing with the Provincial/Territorial organization as well as SSC. For international athletes they must be members in good standing with their national organization. Please note that there will be no age advancements granted for this event to remain aligned with SSC athlete pathways and safety guidelines. Event Distances: 500m, 1000m, 1500m, 3000m F/5000m M

The following pages will outline the prize money distribution for the event. If you have any questions, please contact [info@speedskatingmb.com](mailto:info@speedskatingmb.com)

We acknowledge that this is possible thanks to our event sponsors, Maple Leaf Construction, Bieber Wealth Management, Gendis, Red River Speed, and Special Olympics Manitoba. We look forward to welcoming skaters from across North America for the inaugural, Maple Leaf Construction 2024 Western Canadian Outdoor Classic!

Aside from prize money, medals will be presented to all age divisions as presented in the event bulletin at the Bieber Wealth Management podium. This means that skaters cannot receive multiple cash prizes for the same distance. For example, if a U16 skater wins the 500m U16 Category and also secures the second place in the 500m U19 category, they will be awarded the U19 prize, which offers a higher amount of money, and the U16 prizes will be given to the next U16 placements.

This means that a skater cannot win multiple cash prizes for the same distance. For example, if a U19 skater wins the 500m U19 Category and also secures the second place in the 500m Senior Open category, they will receive the Senior Open prize, which offers a higher amount of money, and the U19 prizes will be awarded to the next U19 placements.
